- (1) Government Subsidy  
The School receives limited State Government subsidy for 4 Year Old Kindergarten enrolments ONLY, and this is limited to one year per child.
- (2) If you or your child has a Health Care Card or Pension Card you are eligible for a preschool fee subsidy from the Government. You need to inform the school when enrolling and the School will receive a subsidy for the year (\$730 in 2008), which will be passed on to you in the form of a fee reduction each term.
- (3) The School's standard sibling rebate policy will be applied to Early Learning Centre Fees. A reduction in fees will be applied where two or more siblings of the one family attend the School concurrently, to a maximum of 45%. Rebates are, for first sibling nil; second sibling, 15%; third sibling, 30%; fourth and subsequent siblings, 45%.
- (4) Enrolment in the four-day per week Kindergarten program (but not other programs) requires a non-refundable deposit of \$1,000. The deposit will be credited towards the Admission Deposit if the student is offered a place in Prep Grade.
- (5) Children in the Early Learning Centre will receive some priority in the allocation of Prep Grade places at the School, but the allocation of a place in the Early Learning Centre does not guarantee a place in Prep Grade.
- (6) Details of the Fees in Advance Discount program are available from the Business Office.
