

## Performing Arts (Drama) Scholarships for entry in 2025

Performing Arts scholarships are available to students who can demonstrate talent and the potential for a high level of involvement in the Performing Arts opportunities at Ballarat Grammar. Scholarships provide a percentage reduction of tuition fees for a specified duration or until the end of Year 12.

Drama Scholarships are offered to students entering **Year 7 - Year 11 in 2025**.

Opportunities to be involved in the Performing Arts at Ballarat Grammar are provided through the core curriculum and electives, including VCE Theatre Studies, VCE Dance and VCE and VCE VET Music. The School Musical, School Productions, and specialist workshops also provide additional opportunities.

Once registered, applicants will be required to attend an interview and audition at the School with Performing Arts Staff on **Saturday 10 February 2024** (some audition opportunities may be available on Friday 9 February).

Drama applicants will be expected to:

- a) Present a set audition piece of no longer than two minutes duration that demonstrates their technical ability and performance skills. Audition material, with final information, will be emailed to applicants the week prior to the audition.
- b) Attend a brief interview in which students are encouraged to present a portfolio showing their training, achievements and experience in Theatre/Drama.

Applications close **Thursday 1 February 2024**

Applicants will be notified as soon as possible after the application closing date of their audition and interview time. **Application Fee \$50.**
