

CENTRE FOR EARLY EDUCATION: FEE SCHEDULE 2025

PAYMENT OF CEEd ACCOUNTS

For ease of payment, fees will be invoiced weekly and are payable by Direct Debit and Credit Card only. Direct Debit and Credit Card authorised payments will be processed weekly. The first invoice will be issued during the week of commencement.

As is standard practice for Early Education programs, fees are payable every day of your child's enrolment including days on which your child is sick or does not attend for whatever reason. Fees will not be charged on days when the CEEd does not offer a program, including some gazetted public holidays, scheduled exeunt weekends, Orientation Day and Staff Days. In addition, fees are not charged for the four week closure over the Christmas/New Year period.

A 25% discount on the daily fee will be offered for the purpose of holidays up to a maximum of four weeks for Infant and Toddler enrolments. This will require a minimum of four weeks' notice in writing and is only available to children enrolled in the Infant & Toddler programs.

Parents of children enrolled in Reception and Kindergarten programs have the option of selecting a 48 week enrolment which includes access to programs between 7:30am and 6:00pm each day for 48 weeks of the year, or selecting a Term Time Only enrolment, which includes access to the core program, between 8:40am and 3:15pm during term time only. It is noted that some groups may be restricted to one enrolment option.

Enrolment options remain fixed for the duration of the calendar year and casual attendance is not offered in Kindergarten and Reception.

Four weeks' notice in writing must be given to the Director of the CEEd prior to the withdrawal of your child from the CEEd or four weeks' fees will be charged.

APPLICATION FEES

The Application Fee is \$150 per child (non-refundable). This fee is to offset the administrative costs associated with enrolments. This fee will apply to each child's initial application for enrolment in the CEEd.

ENROLMENT BOND

The acceptance of an offer of a place in any Reception or Kindergarten program will be dependent on the payment of an enrolment bond. Provided that the child commences at the CEEd, and any outstanding fees have been finalised in accordance with our payment policies, once the required notice has been provided and at the conclusion of the child's enrolment, the bond of \$1,000 per child will be refunded.

ENROLMENT

Application for enrolment in CEEd programs does not guarantee a place at the CEEd in subsequent years or at Ballarat Grammar. Places will be allocated according to the government priority of access guidelines. Government regulations require that some priority in the allocation of places be given to children from families where there is disability or disadvantage, or where the parent or parents are working or studying. Details of these requirements can be found at www.education.gov.au

In addition to this, Ballarat Grammar gives some priority in allocation of places to children related to current or former students of the School, or to School staff, and some priority to early applications. Children in the CEEd will receive some priority in the allocation of Prep places at Grammar, but the allocation of a place in the CEEd does not guarantee a place in Prep at Ballarat Grammar.

CHILD CARE SUBSIDY (CCS)

The Child Care Subsidy is a Government initiative that is intended to make child care more affordable. Rate of payment is determined by Centrelink and takes into account the combined family income, activity level of the parents and the type of Child Care Service being accessed. Further information on the CCS is available by following the link provided. [LINK](#).

CESSATION OF CARE

It is a government requirement that the Centre reports any absences prior to a child's first day of attendance at the Centre and any absences after their last day of attendance at the Centre as a "Cessation of Care" absence. This type of absence is not eligible for CCS and therefore, full fees will be payable to the Centre for these absences.
