

Art and Design Scholarships 2028

Art and Design Scholarships are awarded to students who demonstrate exceptional creativity, technical skill, and strong potential in the visual arts and design disciplines. These scholarships support students in developing their skills and contributing to the vibrant arts community at the School.

Eligibility

Open to students entering Years 7 to 11 in 2028.

Scholarship Benefits

A percentage reduction in tuition fees for a set period or until the end of Year 12 (depending on the scholarship awarded).

Curriculum Opportunities

Students from Years 7 to 12 have access to a wide range of studio-based subjects, including:

- Ceramics
- Fashion
- Media
- Painting and Drawing
- Photography
- Printmaking
- Product Design
- Sculpture
- Systems Engineering
- Visual Communication and Design

Art and Design is a core subject in Years 7 and 8, becoming an elective in Year 9. In Year 10, students can select from the above subjects or begin VCE (Units 1 & 2).

In Years 11 and 12, students may choose from the following VCE subjects:

- VCE Art Creative Practice
